SECTION 18-17 OF THE VIENNA TOWN CODE

§18-17 Fences. Any fence from the rear lot line to, and including the front line of the building shall be no more than six (6) feet high, except that on a corner lot the fence along the side yard fronting on a street shall be no more than four (4) feet high, and the fence along the rear line, from the front of the adjacent house to its street line shall not exceed four (4) feet in height. Any fence located between the front of the house and the front property line shall be not more than four (4) feet high. (Amend. 8-30-76)

Any fence or screen constructed in a residential zone shall have the finished side facing the street or adjacent or abutting properties. The use of barbed wire is not permitted in any residential zone. (New 8-30-76)
